

JPO FOUNDATION

"It's All About Love" Tennis Charity Event

Dear

Hope you are having a great week and all is well with you! The James Patrick O'Connell Legacy of Love Foundation was started this past spring to honor the memory of our son James, raise funds to address the urgent need for individuals that are struggling in unhealthy relationships, and focus on making crisis mental health care more timely and accessible in our community. We're off to a terrific start and the response to what will be our life's work has been overwhelming.

On Saturday, June 11, 2022 we will be having the 1st Annual JPO Foundation "It's All About Love" Tennis Charity Event at TWOS Athletic Club. Our hope is that this will become the Toledo area's premier tennis event every year, raise funds to help those in need, and celebrate the beautiful spirit and life that James touched so many people with. The day will feature French Open Doubles Champions Luke and Murphy Jensen and include clinics, pro exhibition play, lunch, refreshments, raffles, live band, a Racketathon tournament, and what would be most important to James, free clinics in the afternoon for children in our community that otherwise wouldn't be exposed to this wonderful sport.

We are hoping you might consider being a sponsor for this great and meaningful day. Please find a flyer attached with a variety of sponsorship levels and opportunities. Individual tickets will also be available for \$75 each or \$100 for a couple. Racketathon participant entries are \$50 per team. Every dollar raised will go to local non profit agencies targeting the JPO Foundation mission.

With your support, "It's All About Love" will be an overwhelming success, a lot of fun for everybody involved, and help meet these critical mental health issues right here in Toledo. Please let us know if you have any questions or if we can get you any additional information. Thanks in advance from the bottom of our hearts for your consideration.

Sincerely,
The O'Connell Family
